MINUTES TO WIN IT

Fun, low impact and cerebral challenges. It sounds easy, but with the pressure of a ticking clock or direct competition breathing down your neck, you'd be surprised how difficult these simple tasks can be!

APPMAZING HUNTS & RACES

These action packed strategy programs are powered by our own patented app! These awesome, interactive, scavenger hunts and races can be played anywhere inside or outside at the property.

SWITCH IT UP

If you want to give your group an opportunity to interact with loads of people, this is for you! Compete in multiple games with different teammates each round! When the game switches, so do the teams!

GAME SHOW MANIA

With authentic visuals, sound effects, music and more. We have taken three classic game show games and packed them into about 1 hour. It's the perfect activity for the long day blues of any conference.

HUMAN CONNECTION. LASTING IMPRESSION.

Charitable programs that leave a mark on your team and the people they will help.

PACK A SACK

Whether the goal is to help children with the school supplies they need, the homeless with warm essentials for the winter or military personnel with some items from home, we've got this experience locked and ready to go for you!

BICYCLE BUILDING

Are you looking for a team building activity that generates goodwill, team spirit and lifts morale? Our Bonding for a Cause™ Bicycle Building program is an engaging Corporate Social Responsibility (CSR) team building activity that your group will love!

WHEELCHAIR BUILDING

This Bonding for a Cause™ program is the consummate philanthropic endeavour. Wheelchairs are needed by so many organizations & charities to help people with mobility issues, and your group can help.

CLEAN WATER PROJECT

1 of 4 people globally do not have access to safe drinking water...Let's help change the narrative! Through our all-inclusive 'gamification', your group will build your choice of "Handheld" or "Bucket" Water Filtration Systems for donation.

THE HAND PROJECT

The Hand Project is a powerful, purpose-driven team-building experience that challenges participants to work together to assemble functional prosthetic hands for individuals in need around the world.

DONATION CREATION

Donation Creation is hands on, high energy, and meaningful. It works for ten people or five hundred. We handle the supplies, the facilitation, and the delivery. Your team gets the part that counts.

HUMAN CONNECTION. PROBLEM SOLVED.

Fully hosted Problem Solving experiences designed to elevate teamwork.

CASE CRACKER

An authentic escape room experience packed into a briefcase! A mobile, High-Tech Escape Game that will thrill your corporate group like no other! Teams have 90 minutes to breach a locked attaché case and solve the linear mystery within.

CREATIVE CONSTRUCTION

Compete against your co-workers to build the best and most accurate replica or structure using only the materials provided... but there's a catch! Not every team gets the same materials. Wheel and deal to get the materials you need!

ESPIONAGE SUITE

Get ready for The Authentic Original Hotel Escape Room, set up in any location of your choice and directly inside your hotel rooms. Your corporate group plays the exact same game at the exact same time during this totally unique team building activity.

CUSTOM MURDER MYSTERY

Our interactive Murder Mystery transforms your guests into detectives as they uncover clues, question suspects, and 'work' a case filled with twists, secrets and surprises in this fast paced and highly engaging program.

SHARK'S DEN AI

Here's the pitch, with a twist. Face the Sharks with a secret weapon: AI. Teams form companies, blend human creativity with today's most advanced language models, and compete to survive the den, land the investment, and be named most profitable.

TOWER ABOVE THE REST

This building activity not only builds collaboration skills, but will put your group in-charge of constructing an amazing free standing structure. The fun is in the competition and the unusual challenge of building with an array of low-tech, rudimentary materials.
